

APEX AGRISCIENCE LIMITED

A New Agri Perspective

WE ARE APEX HOLDINGS LTD

Apex Holdings Limited started its journey in 1980 with its first export-oriented manufacturing enterprise “APEX Foods Limited” and has ever since grown into a sizable group of companies. Under the management of AHL, a wide range of manufacturing and export-oriented enterprises have been established which are ranging from Frozen & Convenience Foods, Textiles & Apparels, and Chemicals & Agro businesses.

APEX AGRISCIENCE LIMITED specializes in the sourcing, supply, and export, of the highest quality fresh vegetable and fruits and other specialty agro commodities.

OUR PHILOSOPHY

We believe in the importance of building long-term relationships with our clients and suppliers by providing professional, service before, during, and after we have understood and meet their requirements. To help achieve this we are based in:

- Bangladesh

Working closely with an ever-growing network of farmers, growers, suppliers and traders:

- Visiting them regularly,
- Taking samples in every stages of operation for lab test (virus / bacteria test)
- Checking their produce and processing methods, and
- Educating them on the latest techniques,
- Ensuring we receive only the best quality foods and other goods.

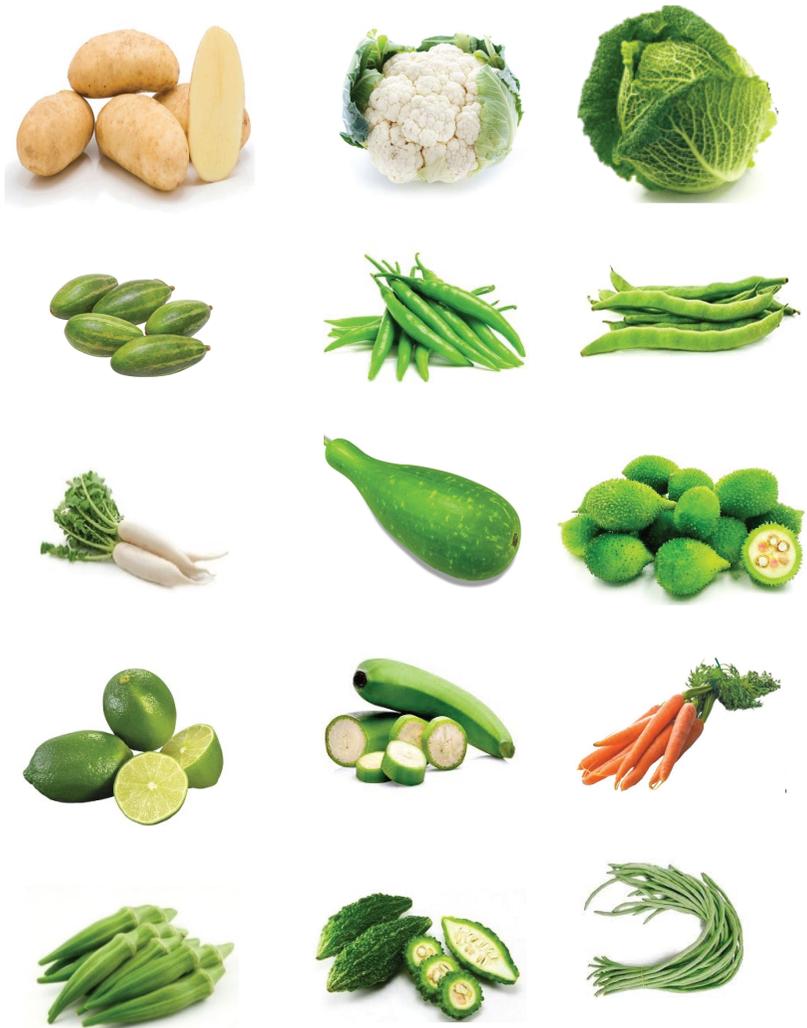

We have a strong network of collection agents that we have built up over time and with whom we have negotiated preferential pricing. Given these relationships, we can usually source the products at a very reasonable price.

Our strengths enables us to fill orders more efficiently and cost-effectively, which means that we can guarantee you with most competitive cost prices across our entire offering.
